

Need a New Rug?

Run in and see our Whittall Line

We have them in so many different qualities, such a variety of colorings, patterns and sizes, and such a great run of prices, you will surely find a rug that will suit you at a price you can afford to pay.

Every rug in this line is the best possible quality that can be bought for that amount of money anywhere.

We don't have to tell you about their beauty—you can see that for yourself. As for wear, one million people recently walked across a Whittall Rug placed outside a store in Columbus, Ohio, in wet weather, too. After it had been vacuum cleaned, it was found to be still in fair condition.

A Rug that will stand a test like this, is the kind of a Rug you can afford to put into your home.
